REPAIRS AND MAINTENANCE

The best way to report all maintenance is via the tenant portal or via email to your Portfolio Manager.

Please note that our aim is to action your maintenance as quickly as possible however for non-urgent maintenance, we are required to seek the owner's permission before doing so, your patience is appreciated. If any reported maintenance is found to be caused due to user fault or incorrect use of appliances the cost will be the responsibility of the tenant.

EMERGENCY REPAIRS AND AFTER-HOURS PROTOCOL

Please remember to contact ActewAGL, Icon Water, or Evo Energy before calling a plumber or electrician as the fault may be with the supplier and not the property.

ARE YOU IN A STRATA COMMUNITY/BODY CORPORATE – LIKE AN APARTMENT OR TOWNHOUSE?
